

~~SECRET~~ If you are reading this message I presume that I have already ~~been~~ I am a member of "Cinema" organi- zation, and if you are one of us, please continue my unfinished mission.

My task ~~is~~ was to infiltrate the staff of "Club Room" and uncover the secrets they are hiding.

They have already found out who I am I have written the club room staff guideline here in hope that you can ~~use~~ ~~it~~ send to to "Cinema". It will save lot of people life.

Staff Guideline for Club Room :-

Whether you were previously employed in other departments or were a customer

You are now an Club Room staff. Please adhere to the employee guideline to ensure your safety.

Primary Responsibilities

1. Deliver the daily ingredient to the club Room kitchen. If the ingredient attempt to attack you. use orange juice to calm them
They are polluted
↑ the worshiper
2. Serve guests dining in the Club Room but do not engage in conversation with them
3. You are directly under the Management. and should not communicate to anyone other than Club Room staff or Management
4. You need to consume at least 1L water from center fountain in the club Room. When drinking water from the fountain if you hear sound coming from water. Do not respond.

(Water help you ~~pollution~~^{resist} pollution.... But why
water? why from that fountain? I can't
figure it out still)

5. Quickly exit the Club Room after the
light out during evening banquet.

To access the management system is to ~~the~~
~~pw~~ → I made a script in the Reservation
Form that could hack in Management
System.

Put "Club Room" in all required field
choose "clubRoom" as Reservation Type

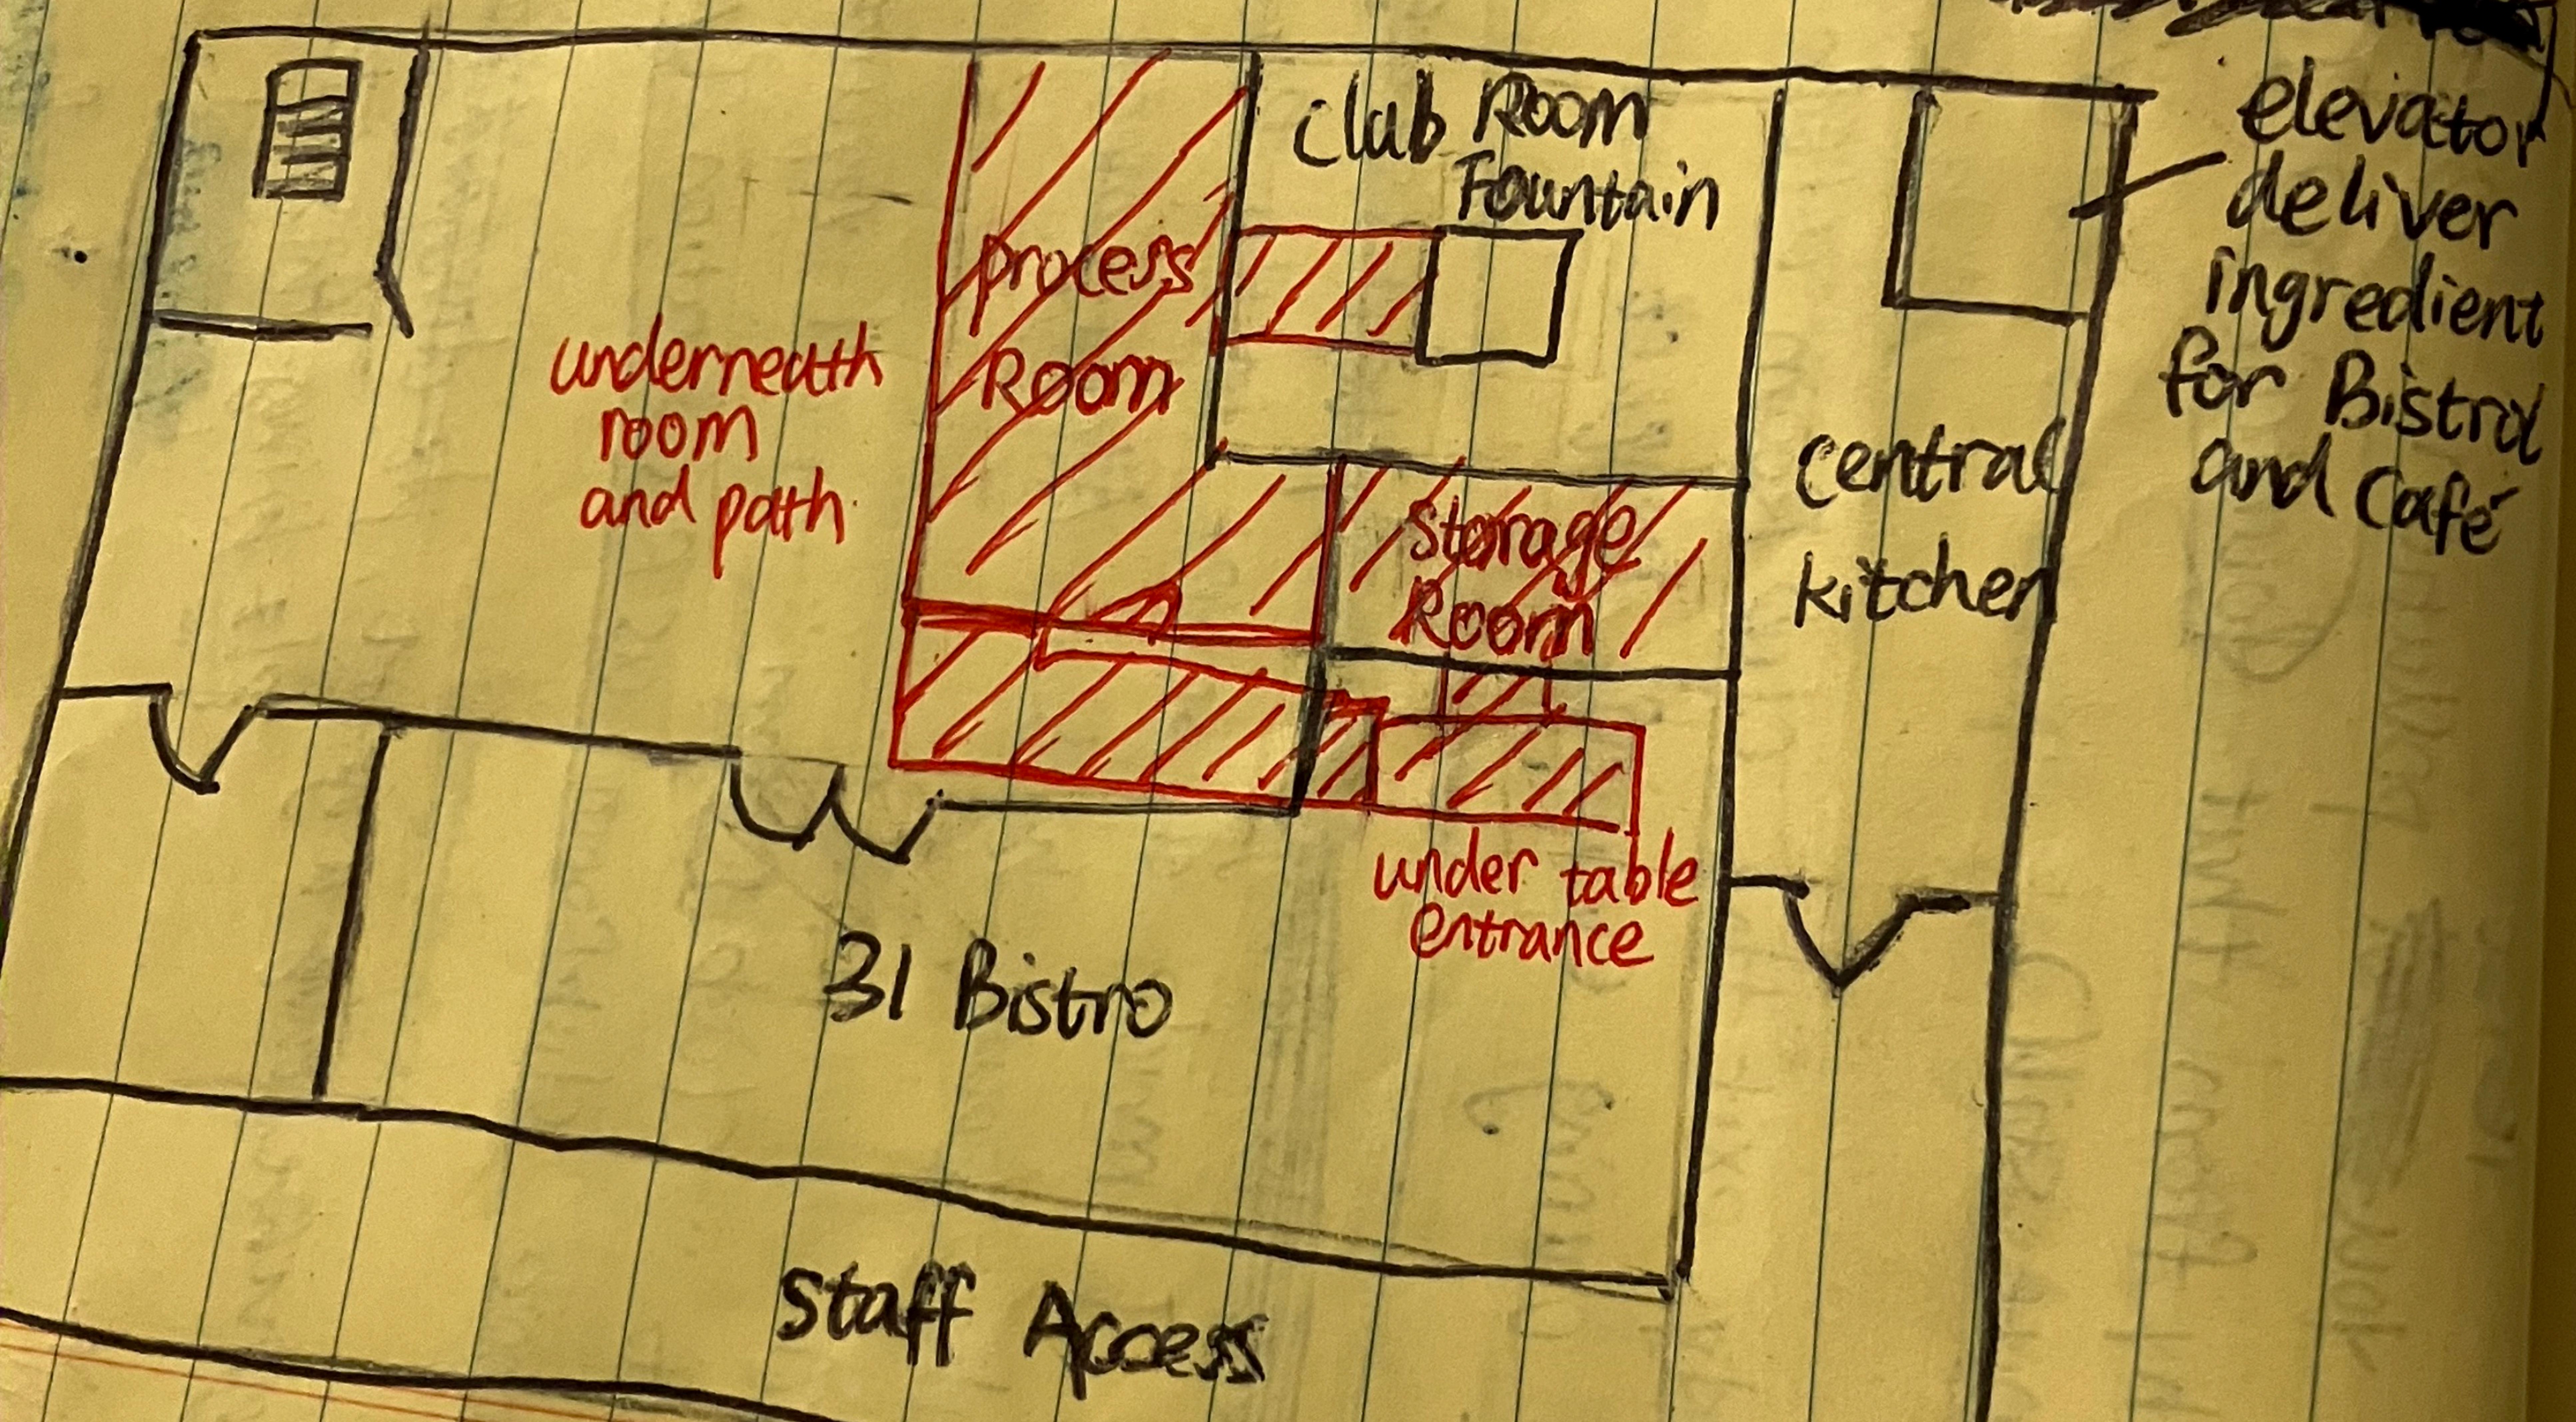

If you are only a guest, ~~pls disregard this message~~
